FOR IMMEDIATE RELEASE

Heritage Announces Expansion of Western US Manufacturing Operations

(Carrollton, Texas) – Heritage Bag Company, the leading supplier of can liners and food bags sold to the commercial market, is expanding its western US manufacturing operations to provide better market coverage.

Heritage recently acquired a 112,000-square-foot building in Ogden, Utah and is currently expanding the facility another 35,000 square feet.

The plant, which will have 50-60 employees, is expected to be operational by the end of the third quarter of 2008.

“I realized early on that customer service was key, we needed to be as close to the customer as possible. Quality products and excellent service are at the heart of what we do. We continue to grow with our customers!”, said Carl Allen, CEO and President at Heritage.

About Heritage Bag Company

Heritage Bag Company, based in Carrollton, TX, is the leading supplier of commercial can liners and food bags sold to the institutional markets. The company makes a broad range of products at its six U.S. manufacturing and distribution facilities, and goes to market using a direct Heritage-employee sales organization.
